

Bike Show 2011

Tourstart exhibit on the biggest Danish motorcycle event in 2011, which is taking place 11th – 12th – 13th of February 2011. Meet us in Herning Messecenter on booth **H6016**.

Facts about Tourstart

Tourstart is a free of charge web site focusing on the motorcycle tour is a pleasure from start to end, and easy to plan. On Tourstart you can find any motorcycle related event and a large number of tour suggestions– as well as tools to plan your own ride.

Visit us and get all the latest news

Visit us at the booth and get updated on all the new tips and tricks how to optimize using the Garmin GPS. There are a lot of new features to present on the exhibition, as well as our core functions:

- Share any activity, tour or bike club
- Invite function, enabling your friends to ride the tour with you
- TourPlan – your personal planning tool
- **Drive** – a brand new function with instant route planning and direct transfer to the Garmin device

Garmin integration function

Find your destination or a tour and make your own TourPlan. Then by a single click, it is all transferred to the Garmin GPS and you are ready to hit the road.

Meet us in Herning, Denmark

Tourstart will exhibit in Hall H, and the exhibition is open as follows:
